

## The Avid Advantage: Integrity and Dependability

### The Sterling Heights Area Chamber of Commerce

Make the most of your membership. Members are eligible for a preferred card processing discount rate from Avid Payment Solutions.

Avid is dedicated to building relationships based on integrity and dependability, and ensuring that merchants understand what they

are paying for their processing. Many other payment processors are utilizing schemes like tiered pricing (qualified, mid-qualified, and non-qualified), or free equipment in order to confuse and overcharge merchants. Avid is committed to educating

merchants so they can understand, in detail, what they are paying for their electronic payments.

#### Save Money With Avid

At Avid, we believe in providing you with true pass-through pricing, meaning that we pass along the MasterCard/Visa Interchange costs along with Association fees and dues, and then add a consistent mark up. Everything is clearly detailed on your merchant statement. No surprises, period.

#### All the Products and Services You Need

In addition to traditional credit card processing services for physical storefronts, Avid offers real-time Internet processing, gift card programs, and electronic check conversion. We offer a complete portfolio of products and services to be your single-source solution.

#### Quick, Easy, FREE Application

With Avid, it's fast and easy to set up your merchant account - with NO APPLICATION FEE. We combine low rates and fees with excellent customer service, making it hassle-free for you to accept credit cards. Call now to get started!
